ACE CIVIL SERVICES GEOGRAPHY OF INDIA

For UPSC CSE & State PCS Exams

Table of Contents

1. Introduction to Indian Physical Geography	2
2. Physiography of India.....	19
3. Drainage System of India	54
4. Indian Climate	77
5. Natural Vegetation of India	100
6. Soils of India	113
7. Indian Human Geography	125
8. Resources of India.....	171
9. Economic Activities in India	216
10. Transport and Communication.....	317

Detailed Table of Contents

1. Introduction to Indian Physical Geography.....	2	2.10 The importance of the Himalayan Region.....	27
1.1 India-A geographical Unit.....	2	2.11 The Northern Plains	28
1.2 The Frontiers of India	3	2.11.1 Evolution of Northern Plains.....	28
1.2.1 India-China Border (Sino-Indo Border).....	4	2.11.2 Features of the Northern Plains.....	28
1.2.2 India-Nepal Border	5	2.11.3 Physiographic Divisions of Northern Plains of India.....	29
1.2.3 India-Bhutan Border	5	2.11.4 Comparative Analysis between Bhabar, Tarai, Bhangar and Khadar	30
1.2.4 India-Pakistan Border	6	2.11.5 Regional Division of Northern Plains.....	31
1.2.5 India-Bangladesh Border	7	2.11.6 Significance of Northern Plains	31
1.2.6 India-Myanmar Border	7	2.12 The Desert of India	32
1.2.7 India-Sri-Lanka Border	7	2.12.1 Features of Deserts of India	32
1.3 India's Political Divisions	8	2.13 The Peninsular Plateau	32
1.4 Bays, Gulfs, and Seas in India	8	2.13.1 Evolution of the Peninsular Plateau of India	32
1.5 Geological Structure of India.....	10	2.13.2 Features of Peninsular Plateau in India	32
1.6 The Archaean Rock System	11	2.13.3 Classification of Peninsular Plateaus	33
1.6.1 Archaean Gneisses and Schists	11	2.13.4 Hill Ranges of the Peninsular Plateau.....	35
1.6.2 Dharwar System	12	2.13.5 Significance of the Peninsular Plateau	37
1.7 The Purana Rock System	13	2.14 The Coastal Plains	37
1.7.1 The Cuddapah System	13	2.14.1 Western Coastal Plains	38
1.7.2 The Vindhyan System	13	2.14.2 The Eastern Coastal Plains	38
1.8 The Dravidian Rock System	14	2.14.3 Significance of the Coastal Plain Region	39
1.9 The Aryan Rock System	14	2.15 The Islands.....	39
1.9.1 The Gondwana System	14	2.15.1 Andaman & Nicobar Islands	39
1.9.2 The Jurassic System	15	2.15.2 Lakshadweep Islands.....	40
1.9.3 The Deccan Trap	15	2.16 Mountain Peaks in of Himalayas	42
1.10 The Tertiary System.....	16	2.17 Mountain Peaks of Peninsular India	43
1.11 The Quaternary System (The Pleistocene and recent formations).....	16	2.18 Major glaciers in India.....	45
2. Physiography of India	19	2.19 Major Waterfalls in India	47
2.1 Physiography of India.....	19	3. Drainage System of India	54
2.2 The Himalayas	19	3.1 Types of Drainage Systems.....	54
2.2.1 The origin and development of the Himalayas	20	3.2 Classification of Indian Drainage	55
2.2.2 Division of Himalayas	20	3.3 Himalayan River Systems	57
2.2.3 Features of Himalayan Mountains	20	3.3.1 Evolution of Himalayan Rivers	57
2.3 The Greater Himalayan Range.....	21	3.4 The Indus River System	59
2.3.1 Trans Himalayas.....	21	3.4.1 The Jhelum River System	60
2.3.2 The Great Himalayas or the Himadri.....	22	3.4.2 The Chenab River System	60
2.4 The Lesser Himalayas or the Himachal	23	3.4.3 The Ravi River System.....	60
2.5 The Shiwaliks or the Outer Himalayas	23	3.4.4 The Beas River System	60
2.6 The Western Himalayas.....	24	3.4.5 The Sutlej River System	61
2.7 The Central Himalayas	25	3.5 The Ganga River System.....	61
2.8 The Eastern Himalayas	25	3.5.1 The Yamuna River System.....	63
2.9 The North-Eastern Hills or Purvanchal.....	26		

3.5.2	The Chambal River System.....	64	Monsoon	89	
3.5.3	The Sind River System.....	64	4.7.1	El-Nino and Indian Monsoon	89
3.5.4	The Betwa River System	65	4.7.2	La-Nina and Indian Monsoon.....	90
3.5.5	The Ken River System	65	4.8	Indian Ocean Dipole.....	90
3.5.6	The Son River System	65	4.9	Seasons of India.....	92
3.5.7	The Damodar River System.....	65	4.9.1	Characteristics of Major Seasons	92
3.5.8	The Ramaganga River System	66	4.10	Distribution of Rainfall in India.....	94
3.5.9	The Ghaghara River System	66	4.11	Cyclones in India	94
3.5.10	The Saryu River System	66	4.12	Climatic Regions of India	96
3.5.11	The Gandak River System	66	4.12.1	Koppen's classification of climate	96
3.5.12	The Burhi Gandak River System	66	5.	Natural Vegetation of India.....	100
3.5.13	The Kosi River System.....	66	5.1	Significance of Natural Vegetation.....	100
3.6	The Brahmaputra River System	67	5.2	Factors Influencing Natural Vegetation in India	100
3.7	The Peninsular River system.....	67	5.3	Spatial Distribution of Natural Vegetation in India	101
3.7.1	Evolution of Peninsular Rivers	68	5.4	Status of Forest Cover in India.....	101
3.8	East Flowing Rivers	68	5.5	Classification of Natural Vegetation in India	102
3.8.1	The Mahanadi River System	68	5.6	Tropical Evergreen Forests.....	102
3.8.2	The Godavari River System	69	5.6.1	Tropical Wet Evergreen Forests or Rain	102
3.8.3	Krishna River System	69	5.6.2	Tropical Semi-Evergreen Forests	103
3.8.4	Cauvery River System	70	5.6.3	Tropical Dry Evergreen Forests.....	103
3.9	West Flowing Rivers.....	70	5.7	Tropical Deciduous Vegetation	103
3.9.1	Narmada River System	70	5.7.1	Tropical Moist Deciduous Forests.....	103
3.9.2	Tapti River System	71	5.7.2	Tropical Dry Deciduous Forests	104
3.9.3	Luni River System	71	5.8	Tropical Thorn Forests.....	104
3.9.4	The Sabarmati River System	72	5.9	Sub-Tropical Forests	104
3.9.5	Mahi River System	72	5.9.1	Sub-tropical Broad-leaved Hill Forests	104
3.9.6	A comparative analysis between the Himalayan Rivers and the Peninsular Rivers	73	5.9.2	Sub-tropical Moist Pine Forests	104
4.	Indian Climate	77	5.9.3	Sub-tropical Dry Evergreen Forests	105
4.1	Climate In India.....	77	5.10	Temperate Vegetation.....	105
4.2	Salient features of Indian climate.....	77	5.10.1	Himalayan Dry Temperate Forests	105
4.3	Factors determining the climate of India	78	5.10.2	Himalayan Moist Temperate Forests	105
4.4	Back to Basics	79	5.10.3	Montane Wet Temperate Forests.....	105
4.4.1	Understanding Pressure Belts.....	79	5.10.4	Alpine and Sub-Alpine Forests	105
4.4.2	Understanding Jet Streams.....	80	5.11	Littoral and Swamp Forests	106
4.4.3	Types of Jet Streams.....	80	5.12	Forest Products and their Utility	106
4.5	The Indian climatic calendar	80	5.13	Issues with Forestry in India	107
4.5.1	The Summer Season	81	5.14	Forest Conservation	108
4.5.2	The onset of Southwest Monsoon	82	5.14.1	Various measures of forest conservation .	108
4.5.3	Retreating Monsoon and the North-East Monsoon.....	85	5.15	Types of Natural Vegetation in India.....	110
4.5.4	Winter Season	86	6.	Soils of India	113
4.5.5	The factors affecting the intensity of the rainfall.....	87	6.1	Factors Influencing Soil Formation in India	113
4.5.6	Characteristics of Monsoonal Rainfall	87	6.2	Types of Soils in India.....	115
4.6	Impact of Jet Stream on Indian Monsoon.....	88	6.2.1	Alluvial Soil.....	115
4.7	El-Nino and Southern Oscillation (ENSO) & Indian		6.2.2	Black soil	115

6.2.3	Red and Yellow Soil	116	7.21	What drives migration in India?	143
6.2.4	Laterite Soil	116	7.22	Impact of Migration	143
6.2.5	Forest-Mountain Soils.....	116	7.23	Government Initiatives	144
6.2.6	Arid or Desert Soil	116	7.24	Settlements in India	145
6.2.7	Saline-Alkaline Soil	117	7.25	Classification of settlements	145
6.2.8	Peaty Soil	117	7.26	Rural Settlements	146
6.3	Issues of Soil in India.....	117	7.26.1	Types of Rural Settlements in India.....	146
6.3.1	Soil Erosion.....	117	7.26.2	Patterns of rural settlements	147
6.3.2	Salinity and Alkalinity.....	119	7.26.3	Regional distribution of rural settlements	148
6.3.3	Desertification.....	120	7.27	Urban Settlements.....	150
6.3.4	Waterlogging.....	121	7.28	Urbanisation in India	152
6.4	Soil Conservation Measures	122	7.28.1	Status of Urbanization in India.....	152
6.5	Major Soils in India	123	7.28.2	Causes of Urbanisation	153
7.	Indian Human Geography	125	7.28.3	Issues with Urbanization in India	153
7.1	The Population of India.....	125	7.29	Town Planning	154
7.2	Growth of Population in India (Trend and spatial pattern)	125	7.30	Government initiatives taken to tackle the issues of urbanisation	156
7.3	Phases of population growth	125	7.31	Planning In India	157
7.4	Regional Variation in Population Growth	127	7.32	Different types of Planning.....	157
7.5	Distribution of Population.....	127	7.33	Planning in India- A Background.....	158
7.6	The Density of Population	127	7.34	Objectives of Planning in India	158
7.6.1	Spatial distribution of population	128	7.35	The Five-Year Plans in India	158
7.7	Age composition, Dependency ratio, and Demographic Dividend.....	128	7.35.1	First Five-Year Plan	159
7.7.1	Age Composition	128	7.35.2	Second Five Year Plan	159
7.7.2	Dependency ratio and Demographic Dividend	130	7.35.3	Third Five-Year Plan	159
7.8	Sex Ratio.....	130	7.35.4	Fourth Five-Year Plan.....	159
7.9	Literacy.....	131	7.35.5	Fifth Five Year Plan	160
7.10	Occupational Structure	132	7.35.6	Sixth Five-Year Plan	160
7.11	Linguistic Composition	132	7.35.7	Seventh Five Year Plan.....	160
7.12	Religious Composition	133	7.35.8	Eighth Five Year Plan.....	160
7.13	Scheduled Caste and Scheduled Tribe	134	7.35.9	Ninth Five Year Plan.....	160
7.13.1	Scheduled Caste	134	7.35.10	Tenth Five Year Plan.....	161
7.13.2	Scheduled Tribes	134	7.35.11	Eleventh Five Year Plan.....	161
7.13.3	Major Tribes in India.....	135	7.35.12	Twelfth Five Year Plan.....	161
7.14	Population Problems.....	138	7.36	Target Area Planning	162
7.15	India's Population Policies pre-and post-independence.....	139	7.36.1	Command Area Development Programme	162
7.15.1	India's Population Policies post-independence.....	139	7.36.2	Drought Prone Area Development Programme	164
7.15.2	National Population Policy, 2000	139	7.36.3	Desert Development Programme.....	164
7.16	Alternative measures to control the population in India	140	7.36.4	Hill Area Development Programme.....	165
7.17	Migration in India	140	7.36.5	Tribal Area Development Programme.....	166
7.18	What is Migration?	141	7.36.6	The Small Farmers Development Agency (SFDA)	167
7.19	Important Terms Associated with Migration.....	141	7.37	Sustainable Development	167
7.20	Trend and Pattern of Migration in India.....	142	8.	Resources of India	171
			8.1	Resources	171
			8.2	Classification of Resources	171

8.3	Water Resources of India	172	8.25.2	Nuclear Energy	205
8.4	Surface Water Resources in India	173	8.25.3	Solar Energy	207
	8.4.1 Major Lakes in India	174	8.25.4	Wind Energy	209
8.5	Groundwater Resources in India	177	8.25.5	Tidal Energy.....	210
	8.5.1 Status of Groundwater in India	177	8.25.6	Biogas.....	211
	8.5.2 Groundwater Provinces in India.....	177	8.25.7	Geothermal Energy.....	212
8.6	Water Demand and Utilisation in India	178	9.	Economic Activities in India	216
8.7	Issues with Water Resources in India	179	9.1	Agriculture.....	216
8.8	Implications of Water Scarcity.....	179	9.2	Land Resource in India	216
8.9	Conservation and Management of Water Resources	180		9.2.1 Land Use Categories	216
8.10	Steps taken by the Indian Government	181		9.2.2 Land-use Changes in India	217
8.11	Mineral Resources of India.....	181		9.2.3 Common Property Resources (CPRs).....	217
8.12	What are Minerals?	181		9.2.4 Agricultural Land Use in India	217
8.13	Types of Minerals.....	181	9.3	Significance of Agriculture in India	218
	8.13.1 Difference between metallic minerals and non-metallic minerals.....	181	9.4	Factors Affecting Indian Agriculture	218
8.14	Distribution of Minerals in India.....	182	9.5	Types of Agriculture Practiced in India	219
8.15	Major Minerals in India.....	182	9.6	Cropping Seasons in India	221
8.16	Ferrous Metallic Minerals	182		9.6.1 Rabi Crops	221
	8.16.1 Iron ore	182		9.6.2 Kharif Crops.....	221
	8.16.2 Manganese.....	184		9.6.3 Zaid Crops	221
8.17	Non-Ferrous Minerals	185	9.7	Main Crops in India.....	221
	8.17.1 Bauxite.....	185	9.8	Food crops	222
	8.17.2 Copper	186		9.8.1 Rice	222
	8.17.3 Lead	187		9.8.2 Wheat	223
	8.17.4 Zinc	188		9.8.3 Maize	225
	8.17.5 Gold	188		9.8.4 Millets.....	225
	8.17.6 Silver	189		9.8.5 Jowar	225
8.18	Non-metallic Minerals.....	190		9.8.6 Bajra.....	225
	8.18.1 Mica	190		9.8.7 Ragi.....	226
	8.18.2 Limestone.....	190	9.9	Pulses	226
	8.18.3 Dolomite	191	9.10	Cash Crops	227
	8.18.4 Other Non-Metallic minerals	192		9.10.1 Sugarcane.....	227
8.19	Atomic Minerals.....	193		9.10.2 Cotton	229
8.20	Rare Earth Minerals	194		9.10.3 Jute	230
8.21	Issues with Mineral resources	195		9.10.4 Tobacco	232
	8.21.1 Management of mineral resources	195		9.10.5 Coconut.....	232
8.22	Energy Resources of India	195		9.10.6 Oilseeds	233
8.23	Types of Energy.....	195	9.11	Plantation Crops	234
8.24	Conventional energy Sources	196		9.11.1 Tea	234
	8.24.1 Coal.....	196		9.11.2 Coffee.....	236
	8.24.2 Petroleum	199		9.11.3 Rubber	237
	8.24.3 Natural Gas	201		9.11.4 Arecanut	237
	8.24.4 Hydroelectricity.....	202	9.12	Horticulture	238
8.25	Non-Conventional Energy Sources.....	205	9.13	Cropping Pattern	239
	8.25.1 Shale Gas.....	205		9.13.1 Factors influencing cropping pattern.....	239
			9.14	Cropping Intensity.....	240
			9.15	Agroclimatic Zones.....	240

9.16	Irrigation.....	242	9.31	Factors affecting the Location of Industries	265
9.17	Significance of irrigation.....	243	9.32	Classification of Industries	265
9.18	Sources of irrigation.....	243	9.33	Agro based Industries	266
9.18.1	Tank irrigation	243	9.33.1	Cotton Industry	266
9.18.2	Well and Tubewell irrigation	244	9.33.2	Jute Industry	269
9.18.3	Canal Irrigation.....	244	9.33.3	Silk Industry	270
9.18.4	Other Sources of irrigation.....	245	9.33.4	Woolen Industry.....	272
9.19	Multipurpose river valley projects.....	246	9.33.5	Sugar Industry	273
9.19.1	Advantages of Multipurpose Power projects	246	9.33.6	Tea Industry.....	276
9.20	Interlinking of rivers.....	248	9.33.7	Coffee Industry.....	277
9.20.1	Advantages of River Interlinking	249	9.33.8	Vegetable Oil Industry	278
9.20.2	Disadvantages of River Interlinking.....	249	9.33.9	Leather goods Industry	279
9.21	Issues with Indian Agriculture	249	9.33.10	Food Processing Industry.....	280
9.22	Government Initiatives	250	9.34	Heavy Engineering Industries.....	281
9.23	Allied Activities	251	9.34.1	Automobile Industry.....	281
9.24	Livestock resources In India.....	251	9.34.2	Railway Equipment Industry.....	283
9.24.1	Distribution of Breeds Of Cattles.....	251	9.34.3	Ship Building Industry.....	284
9.24.2	Milch Breeds of Cattle	252	9.34.4	Aircraft Manufacturing Industry	285
9.24.3	Indegeneous Draught Breeds of Cattle.....	252	9.35	Forest Based Industries.....	286
9.24.4	Indegenous Dual Purpose Breeds of cattle.....	253	9.35.1	Paper Industry	286
9.24.5	Exotic Breeds of cattle	253	9.35.2	Rubber Industry	288
9.24.6	Indegenous Buffalo Breeds	253	9.36	Mineral Based industries.....	289
9.24.7	Goat Breeds.....	254	9.36.1	Iron & Steel Industry	289
9.24.8	Sheep Breeds.....	254	9.36.2	Copper Industry.....	293
9.24.9	Problems for Indian Dairy Industry	254	9.36.3	Aluminium Industry.....	293
9.25	Poultry.....	255	9.36.4	Lead Smelting Industry	294
9.25.1	Areas of Production.....	255	9.36.5	Zinc Smelting Industry	295
9.25.2	Important breeds of chickens and their distribution in India	255	9.36.6	Cement Industry.....	295
9.25.3	Various Govt. Schemes and programmes related to Livestocks in India	256	9.37	Chemical based Industry	297
9.26	Apiculture.....	256	9.37.1	Heavy inorganic chemical industry.....	297
9.26.1	Production of Honey in India	256	9.37.2	Heavy organic chemical industry.....	298
9.27	Sericulture	257	9.37.3	Fertilizer Industry	298
9.28	Fishing	257	9.37.4	Pharmaceutical Industry.....	299
9.28.1	Comparison of inland and marine fishing.....	258	9.37.5	Glass Industry.....	300
9.28.2	Status of Fisheries in India	258	9.37.6	Ceramic Industry	301
9.28.3	Importance of the fishing industry.....	258	9.38	Cottage Industries.....	302
9.28.4	Marine fisheries in India	259	9.39	Electronics Industry	303
9.28.5	Inland fisheries.....	259	9.40	Solar Manufacturing	304
9.28.6	Challenges faced by Indian Fishing Industry	260	9.41	Major Industrial Regions in India.....	305
9.28.7	Government initiatives	261	9.42	Service Sector of India	307
9.29	Agricultural Revolution In india.....	263	9.42.1	The Service Sector in India	307
9.30	Manufacturing Sector of India.....	264	9.43	Tourism Sector	308
9.30.1	Significance of manufacturing sector in India	264	9.43.1	Significance of Tourism in India.....	308
			9.43.2	Medical Tourism	309
			9.43.3	Eco-Tourism	310
			9.43.4	Challenges in the Tourism Sector of India.....	311
			9.43.5	Fast-tracking Tourism in India	311

9.44	IT and BPM	312	10.3	Water Transportation.....	324
9.44.1	Status and Potential	312	10.4	Airways Transportation	328
9.44.2	Distribution	312	10.5	Communications in India	329
9.44.3	Government initiatives	312	10.6	Different Types of Communication System	329
9.45	Challenges Faced by Service Sector in India.....	313	10.6.1	Postal Services.....	329
10.	Transport and Communication.....	317	10.6.2	Telecommunication	330
10.1	Transport	317	10.6.3	The 5G Revolution	330
10.2	Land Transportation.....	317	10.6.4	Mass-Communication.....	331
10.2.1	Road Transport	317	10.6.5	Print media.....	332
10.2.2	Pipeline Transportation	322	10.6.6	Satellite Communication.....	332
10.2.3	Railways transportation.....	322
