Candidate shall submit original marksheet of Madhyamik Board (Class X std. or equivalent). For NON-ITI category, a factory-wise common merit list will be prepared and the trades will be allotted by each factory on Merit-cum-choice basis after selection. In case of CGPA/GPA grading obtained by the candidate one has to enter marks (and not CGPA grading) by conversion as per one's 10th standard board criteria (in case candidates incorrectly enters the CGPA grading beside clear instructions, it will be converted to percentage by standard multiplication factor of 9.5 uniformly irrespective of their board criteria. This formula shall be used for all such candidates, either for whom there is absence of clear instruction from the concerned 10th Board or those who use incorrect ratio, different from the one mandated by the concerned 10th Board. The marks / percentage will be considered for preparing merit list). In case the candidate's class Xth board declares the matriculation result in form of grades like A+/A/B+/B/C+/C etc, then the candidate needs to enter the percentage of marks obtained as per 10th board criteria. The candidate shall submit original marksheet of Class 10th. In case the corresponding board doesn't possess conversion formula, then following table shall be used to calculate percentage from grades.

GRADE	RANGE OF MARKS	PERCENTAGE

B+	70-79	74.5%
B	60-69	64.5%
C+	50-59	54.5%
C	40-49	44.5%

The Merit List for Ex-ITI category will be prepared factory-wise and trade-wise, on the basis of simple average of percentage of marks both in Matriculation and ITI (minimum 50% in aggregate in each). For the purpose of calculation of percentage of Matriculation, marks obtained and entered by the candidate in online application will be considered (aggregate of all subjects or best of 5 subjects, as per guideline of that 10th Board), and for calculation of percentage of ITI marks, marks mentioned in provisional/final certificate will be taken.

The aggregate marks obtained by the candidates in Madhyamik (Class X or equivalent) shall be considered irrespective of Board / Exam System and shall be considered as per percentage formula of that Board / Exam System only.

Based on the vacancy position, select lists will be prepared and only provisionally selected

candidates will be called for document verification and medical examination.

Tie Resolution-

For preparation of merit list, in case of two candidates having the same marks/percentage (tie case), the candidates with older age shall be preferred. If the dates of birth are also the same, then the candidates who passed Matriculation examination earlier (Year) shall be considered first. Even if the Year of passing of Matriculation examination is same, the candidate name in alphabetical order appearing first will be considered first.
