7) **Minimum qualifying marks:**

For all category candidates : 20%

- There will be 100 multiple choice objective type questions with one mark for each correct answer. **There will be no negative marking.**
- If two or more candidates secure same marks, then their relative merit shall be determined by their age, candidate with higher age shall be placed higher in merit list.

8) **Normalization:**

Normalization means adjusting values measured on different scales to a notionally common scale.

Need for Normalization in Exam

Exam pertaining for a particular post/course could be spread across multiple shifts which will have different question paper for each shift. The normalization is to be done by considering the difficulty level of each set, since the questions may be different in different sets and difficulty level of a particular set may be different from other sets.

Hence the normalization of scores needs to be carried out for all the candidates who had written the exam, across shifts for the same post/course.

Handwritten signature

Normalization Method

The following has to be calculated for every shift for all the candidates who have written the exam for the same post:

a. Average score for each Shift

X_{av} = total marks scored by candidates in a shift divided by no. of candidates in the shift.

b. Standard Deviation of score for each Shift. Standard Deviation is a measure that is used to quantify the amount of variation of a set of data values:

N = Number of candidates

X = Raw score of candidates

L = Total Raw score for all candidates in a shift

X_{av} = Average which is total marks divided by no. of candidates.

x = Raw Score of Candidate - Simple Average ($X - X_{av}$)

Standard Deviation(S)= $(\sum x^2)/N$

Normalization Formula

Normalized Score for each candidate (X_n) = $X_n = (S_2 / S_1) * (X - X_{av}) + Y_{av}$

X_n	Normalized Score of each candidate
S_2	Is the SD of the shift with the Highest Average Score taken as Base for normalization (Criteria for choosing the base for normalization is generally taken as the shift with 'Highest Average' of raw scores)
S_1	Standard Deviation for the corresponding shift (to be scaled to S_2)
X	Raw Score of a candidate
X_{av}	Simple average of the Shift
Y_{av}	Average corresponding to shift with highest Average (taken as Base for normalization)

- Criteria for choosing the base for normalization is generally taken as the shift with 'Highest Average' of raw scores. Only exception is made if this shift (with highest average) has far less number of candidates as compared to other shifts. In that case we take the next shift with 'highest Average' as base for normalization.

Handwritten signature

- 70% of the average attendance is the limit. Any value below this should not be considered for the base.

9) About the Test:

- 9.1 The online test is tentatively scheduled to be held at any Centre in Punjab/Chandigarh which will be intimated while sending the admit card through PSPCL website (www.pspcl.in). **The information regarding the online test/date of test will be made available on PSPCL website www.pspcl.in or <https://docs.pspcl.in/vieworders.html?ofc=ttiapl> from time to time.** The test Centre will be allotted while sending the admit card and no change of test Centre will be permissible. The exact date, time and venue of the online test and information regarding dispatch of e-Admit Cards to the candidates, with instructions of the test will be made available prior to the date of the test by email and on website of PSPCL.
- 9.2 After conductance of the online test, the question paper-cum-answer key will be displayed on PSPCL's website (www.pspcl.in) and notice will be issued, wherein, if a candidate have any objection on the answers displayed on website, then he/she can file objection regarding the same as per guidelines in the notice. On the basis of objections received, the question/answer keys will be reviewed by the expert committee and final merit shall be prepared accordingly. Normalization formula will also be applicable on the final merit list prepared after reviewing of the objections. The decision taken by expert committee shall be final.
- 9.3 The fee once paid shall neither be refunded under any circumstances nor the fee can be held in reserve for any other recruitment or selection.

10) Merit:

- 10.1 The merit list of candidates shall be prepared on the basis of marks scored in online exam and only those candidates shall be considered in merit list who scores minimum qualifying marks in online exam as mentioned above.
- 10.2 It is informed that online exam conducted for apprenticeship could be spread across multiple shifts which will have different question paper for each shift. As such normalization (as per para 8 above) will be done in order to neutralize the effect of difference in difficulty level of each set of papers in different shifts. The final merit list will be prepared on the basis of marks worked out after normalization in case exam is conducted in multiple shifts. Thus, raw marks may vary with normalized marks in the final merit list.
- 10.3 In case online exam is conducted in a single shift, result/final merit list shall be prepared on the basis of actual marks secured by the candidate in online examination.
- 10.4 Further, if two or more candidates have secured same marks in Computer based test, then their relative merit shall be determined by their age where higher age candidate shall be placed at higher merit.
