Samagra Shiksha, GNCTD  
H.Q., Timarpur  
Lucknow Road, Delhi-110054

**Sub: Regarding extension of 2099 contract teachers already worked till 31.05.2023 & engagement of 717 new contract teacher w.e.f. 01.07.2023 to 31.03.2024.**

Municipal Corporation runs 1534 schools across Delhi with approximately 8.34 LaKh students. Primary Education provides a child with an environment where they can explore, experiment, and learn at their own pace. It also helps children develop social skills like cooperation, communication, and empathy which are essential for child development. Teachers enable children to learn the basic etiquette and manners such as respecting elders, being friendly with their peers, and developing socially acceptable behaviour along with academics.

In its constant endeavour to provide such quality education and considering the guidelines of teacher pupil ratio as per RTE it becomes essential to ensure sufficient number of teaching staff for effective learning.

However, there is a vacancy of primary teachers and nursery teachers in MCD schools and request is being sent to DSSSB. The process of providing permanent appointment to teachers to primary and nursery classes is a tedious activity and requires some time.

Also, In light of NEP, 2020 for Balvatika's and as Anganwadi's will be merged with the primary schools. Hence, to function and collaborate effectively with these programs, presence of teachers in classes is highly essential.

Since, recruitment of permanent teachers will take some time, bare minimum requirement of teachers based on maximum attendance in classes has also been done which has come out to be 717. It is requested that 717 teachers may be provided in addition to the teachers already working in MCD i.e. 2099 through SSA.

This issues with the approval of competent authority,
