 - Punishing those who responsible for the cause of injustice and thus try to bring about benefit to their clientele
 - Organizing the masses for protest activities for the purpose of achieving the set objective
10. Today social workers practice under all of the following auspices **except**:
- Public
 - Not-for-profit
 - For-profit
 - No exceptions
11. Welfare administration refers to:
- Translating social policies into a welfare program
 - Method of policies governance
 - System of administration for social welfare
 - All of the above
12. POSDCORB view was advocated by:
- Luther Gulick
 - Henry Fayol
 - Marshal
 - M. Owen
13. The five-year plan initiated in:
- 1949
 - 1990
 - 1951
 - 1950
14. In the abbreviation POSDCORB, CO stands for:
- Communicating and Organizing
 - Coordinating
 - Counselling
 - Communicating
15. In Kerala, the registration of a charitable society is done by:
- Department of Women and Child
 - Registration Department
 - Department of Social Welfare
 - Department of Health
16. MOA in Societies Registration Act stands for:
- Memorandum of Agreement
 - Member of Association
 - Memorandum of Association
 - Mutual Official Agreement

17. Which of the statements is true with reference to a registered society?
 A) A society can be started by the signature of a single member
 B) A society can accept foreign contributions right after registration
 C) A society need not have an official address
 D) A society has to file audited statements of accounts every year
18. FCRA registration certificates are issued by Ministry of:
 A) Women and Child B) Finance
 C) Social Justice D) Home Affairs
19. When designing an actual appraisal method, the two basic considerations are:
 A) What to measure and who should measure
 B) What to measure and how to measure
 C) When to measure and what to measure
 D) Who should measure and when to measure
20. ----- is the philosophical assumption that influences which methodologies and methods researchers consider appropriate.
 A) Ontology B) Epistemology
 C) Axiology D) Cosmology
21. -----is a research philosophy which rejects the philosophical dualism of objectivity and subjectivity.
 A) Positivism B) Constructivism
 C) Post-positivism D) Pragmatism
22. To measure a concept, it has to be first converted into a variable. This is done through the process of:
 A) Hypothesis formulation B) Problem formulation
 C) Operationalization D) Scalability
23. Which of the following is a secondary source of data collection?
 A) Observation B) Reports C) Interview D) Questionnaire
24. A drug is tested for its effect on cancer. The hypothesis testing proved that the drug was effective for cancer. However, later, it was identified that this was untrue (false positive). What is the kind of error that happened during hypothesis testing?
 A) Bias B) Type I error
 C) Type II error D) None of the above
25. The data collection tool which is filled directly by the respondents:
 A) Interview Guide
 B) Questionnaire
 C) Unstructured interview schedule
 D) Structured interview schedule

26. Selection of a sample using networks is called ----- sampling.
 A) Judgement B) Expert C) Snowball D) Accidental
27. Find the standard deviation of the given set of numbers: 6, 2, 3, 1
 A) Square root of 3.5 B) 3
 C) Square root of 2.5 D) 1
28. Which of the variable-centred approaches is commonly used for predictive modelling by businesses to forecast future outcomes?
 A) Correlation B) Regression
 C) Factor Analysis D) Structural Equation Model
29. The APA reference of a literary work is given below:
 Bengtson, D. A. (2003). Status of marine aquaculture in relation to live prey: Past, present and future. In J. G. Støttrup & L. A. McEvoy (Eds.), *Live feeds in marine aquaculture* (pp. 1-16). Blackwell Science.
 Identify what the words in italics refer to?
 A) Name of a book B) Name of a journal
 C) Name of a chapter in the book D) Name of a magazine
30. Which phase of the Project Life Cycle does risk assessment happen?
 A) Development B) Implementation
 C) Evaluation D) Termination
31. Crashing in a Project refers to:
 A) Abandoning the project
 B) Completing the project hastily
 C) Reducing the cost of projects
 D) Reducing the duration for few activities
32. The amount of time a task can be delayed without resulting in an overall delay in completion of other tasks or the project is called
 A) Optimistic time B) Float
 C) Most likely time D) Fast tracking
33. Work Breakdown Structure (WBS) specifically refers to:
 A) Overall project goals will be broken down into unit-level tasks/activities
 B) Hierarchical representation of costs at various levels
 C) Deadlines to be met across project time period
 D) Projected requirement of human resources
34. Which of the following does the Critical path method (CPM) makes use of:
 A) Gantt Chart B) Work Breakdown Structure
 C) Networking diagrams D) All of the above

35. What are 'dependencies' in a Gantt chart?
- A) Major events, dates, decisions, and deliverables
 - B) The person or team responsible for completing a task
 - C) Relationship that requires particular order of tasks
 - D) Progress, duration, and start and end dates
36. When conducting a Cost Benefit Analysis (CBA) in the public or private sector, the analysis should consider?
- A) Tangible costs/benefits
 - B) Intangible costs/benefits
 - C) Both A and B
 - D) Neither A nor B
37. Opportunity cost is:
- A) The value of the next best alternative
 - B) Unimportant in a CBA
 - C) The monetary cost it takes to pursue a project/policy
 - D) All the above
38. Public Sector CBA is often more challenging than private sector CBA because of:
- A) The existence of regulation
 - B) Market failures
 - C) Bureaucracy
 - D) Low payment
39. In Project Review, Scope Variance refers to:
- A) Actual completion dates of project activities differ from planned
 - B) Difference between the actual costs incurred and budgeted costs for work performed
 - C) Difference between the work actually completed and the work planned
 - D) All of the above
40. The theme of International Social Work Day 2024 is:
- A) I'm because we are
 - B) Shared future for transformative change
 - C) Promoting the importance of human relationships
 - D) Promoting community and environmental sustainability
41. The first statute that instituted penalties for begging:
- A) Elizabethan poor law
 - B) The Statute of Labourers
 - C) Workhouse Act
 - D) Law of Settlement and removal
42. A community chest is a fund that is raised through contribution from:
- A) People in community
 - B) Businesses
 - C) Government
 - D) NGOs
43. Preventive, curative and rehabilitative measures to reduce the relapse of offenders to criminal behaviour is best suited to the concept of Social-----.
- A) Security
 - B) Justice
 - C) Defence
 - D) Development

44. The field of social work which is a secondary practice setting:
 A) Hospital Social Work B) Community Development
 C) Child Rights D) All the above
45. In 1918, Mary Cromwell Jerret organized the first formal training program in:
 A) Medical Social Work B) Psychiatric Social Work
 C) Child Guidance D) Community development
46. The Sustainable Development Goals (SDGs) agenda is expected to be achieved by:
 A) 2050 B) 2040 C) 2045 D) 2030
47. Is it acceptable for a professional social worker to receive or accept small gifts?
 A) No, it is not acceptable
 B) Yes, it is acceptable
 C) Yes, depending on the cultural context
 D) Only if the Code of Ethics of the country expressly mentions it.
48. Which core value of social work is related to the ethical principle of “Social workers’ primary goal is to help people in need and to address social problems”?
 A) Integrity B) Social Justice
 C) Service D) Dignity and Worth of the Person
49. Match the concepts in Arnstein’s typology of citizen participation List I to its examples in List II
- | List I | List II |
|--------------------|---|
| a. Citizen Control | 1. When public institutions, officials, or administrators give up at least some degree of control, management, decision-making authority, or funding to citizens. |
| b. Delegation | 2. Participation is measured by how many come to meetings, take brochures home, or answer a questionnaire. |
| c. Partnership | 3. When “participants or residents can govern a program or an institution, be in full charge of policy and managerial aspects, and be able to negotiate the conditions under which ‘outsiders’ may change them. |
| d. Consultation | 4. When public institutions, officials, or administrators allow citizens to negotiate better deals, veto decisions, share funding, or put forward requests that are at least partially fulfilled. |
- A) a-4, b-3, c-1, d-2 B) a-1, b-2, c-3, d-4
 C) a-4, b-3, c-2, d-1 D) a-3, b-4, c-1, d-2
50. “Samvidhan Divas”, which stands for ‘Constitution Day’ is celebrated in India on:
 A) January 26 B) November 26
 C) August 19 D) December 9

51. India borrowed the idea of “Directive principles of State Policy” from the constitution of:
- A) United States B) Germany
C) Great Britain D) Ireland
52. Article---- of the constitution confers original jurisdiction on the Supreme Court to enforce the fundamental rights by issuing orders or writs.
- A) 30 B) 31 C) 32 D) 33
53. “Justice delayed is justice denied”. Which bench of the supreme court issued 12 directives for speedy trial of civil cases?
- A) Indu Malhotra and R. Subhash Reddy
B) S Ravindra Bhat and Aravind Kumar
C) UU Lalit and Vineet Saran
D) Arun Mishra, SA Nazeer and MR Shah
54. The law which stands to replace the age-old IPC:
- A) Bharatiya Nyaya Sanhita B) Bharatiya Nagarik Suraksha Sanhita
C) Bharatiya Sakshya Act D) Indian Nyaya Samhita
55. Which of the following statements about the “The Probation of Offenders Act 1958” is generally true?
- A) This Act empowers the Court to release certain offenders on probation of good conduct
B) It aims to release first offenders, after due admonition or warning with advice
C) The Act provides special protection to persons under twenty-one years of age by not sentencing them to imprisonment
D) All of the above
56. The Right to Information Bill 2005 was introduced in the Lok Sabha by the:
- A) Union Ministry of Law and Justice
B) Union Ministry of Personnel, Public Grievance and Pension
C) Ministry of Social Justice and Empowerment
D) Ministry of Internal Affairs
57. The motto of the National Human Rights Commission is:
- A) Sarve bhavanthu sukhinah
B) Sabka sath, sabkavikas
C) Athmanirbhar Bharat
D) Beti bachao, Beti padavo
58. The law of demand states that over a given time period and *other things being equal*, the quantity demanded of a commodity is inversely related to its price. The *other things* mentioned here are the underlying conditions of demand. Which of the following is **not** included in underlying conditions of demand?
- A) Price B) Taste C) Advertising D) Income

59. The selection committee that selects Lokpal in India consists of:
1. The President
 2. The Prime Minister
 3. The Speaker of Lok Sabha
 4. Leader of Opposition in Lok Sabha
 5. Chairman of Rajya Sabha
 6. Chief Justice of India
- A) 1, 2, 3 & 4 only B) 2, 3, 4 & 6 only
 C) 3, 5 & 6 only D) 1, 2, 4 & 6 only
60. Family laws have progressed through landmark judgements. Match the case-laws in List I with the issue addressed by the case law in List II.
- | List I | List II |
|--|---|
| a. Shah Bano Case (1985) | 1. Recognition of live-in relationships |
| b. Vineeta Sharma vs. Rakesh Sharma | 2. Daughter's inheritance rights |
| c. Changuna vs Virendra Kumar Singh Kushwaha | 3. Decriminalization of homosexuality |
| d. Navtej Singh Johar vs. Union of India | 4. Marriage rights of Muslim women |
- A) a-1, b-3, c-2, d-4 B) a-4, b-3, c-1, d-2
 C) a-4, b-2, c-1, d-3 D) a-2, b-1, c-3, d-4
61. "A laissez faire attitude by government toward the market place will allow the invisible hand to guide everyone to create the greatest good for the greatest number of people and generate economic growth". Who proposed this doctrine of classical economics?
- A) Karl Marx B) Adam Smith
 C) John Maynard Keynes D) Thomas Malthus
62. A rule with respect to debt is to match the term of the loan to the life of the asset being financed. Given this rule, which of the following will be an unwise spending?
- A) A home loan paid for 28 years
 B) An auto loan paid for 5 years
 C) Credit repayment of restaurant bill over 6 months
 D) EMI for mobile phone for 1 year
63. Which of the following is a tool of economic policy?
- A) Increasing/decreasing government spending
 B) Adjusting certain interest rates
 C) Increasing or decreasing taxes
 D) All of the above
64. The monthly incomes (in Rupees) of ten households are as follows:
 90000, 45000, 48000, 46000, 50000, 20000, 36000, 41000, 32000, 35000
 Which statistic is more representative of such a distribution?
- A) Mean B) Median C) Mode D) Variance
65. Which of the following is an organization providing bilateral aid?
- A) SIDA B) UN C) IMF D) World Bank

66. The G-20 Summit was held in September 2023 in:
 A) Rome B) New Delhi C) Tokyo D) Madrid
67. In the interim Union budget presented in February 2024, the government is to focus on the upliftment of 4 castes, one of which is the “Annadata”. What does it stand for?
 A) Breadwinner B) Family C) Farmer D) Women
68. NITI Aayog has introduced monthly delta ranking for Aspirational districts. Aspirational districts are programs for:
 A) most under-developed districts
 B) most developed districts
 C) districts with high population
 D) districts with lowest population
69. The PQLI was developed by the economist:
 A) Simon Kuznets B) Morris David Morris
 C) Mahbub ul Haq D) Amartya Sen
70. The ‘empty chair’ technique is commonly employed in:
 A) Psychoanalytic therapy B) Existential Therapy
 C) Transaction Analysis D) Gestalt therapy
71. In existential therapy, which of the following instances indicate that the client is refusing to take ‘responsibility’:
 A) Recurrently using first person (pronoun)
 B) Referring to past and future, avoiding the present
 C) Being proactive, rather than reactive
 D) All of the above
72. In transaction analysis, what does the term "games" refer to?
 A) Transactions with hidden or ulterior motive
 B) A unit of social interaction
 C) Unexpected transaction
 D) Expected transaction
73. In Trauma Counselling an important abbreviation is DABDA. What does the first D in DABDA stand for?
 A) Depression B) Determination
 C) Denial D) Direct
74. World Health Organization’s CSE refers to:
 A) Complete Sex Education B) Comprehensive Sexuality Education
 C) Curricular Sex Education D) Comprehensive Sex Education
75. Which of the following is **not** part of the Perlman’s 4 Ps of Social Case Work process?
 A) Person B) Problem C) Place D) Program

76. Which of the following is **not** a principle of Social Case Work?
 A) Empathy B) Individualisation
 C) Non-Judgemental attitude D) Confidentiality
77. Who among the following proposed the division of social case work techniques into environmental modification, psychological support, clarification and insight development?
 A) Mary Richmond B) William Reid
 C) Florence Hollis D) Annette Garrett
78. Which of the following is **not** an essential part of obtaining a client's informed consent?
 A) Explaining what services will be provided, including risks and benefits to the client
 B) Requiring that all consent forms are stored in the client's file
 C) Informing the client of payment expected and consequences for nonpayment of fees
 D) Ensuring the client understands service alternatives
79. Services such as nursery care, foster placement, financial assistance, interpreting to an employer the illness of a patient, etc. come under which technique of case work
 A) Environment modification
 B) Psychological Support
 C) Clarification
 D) Insight development
80. Jessie Taft was associated with which school of social case work:
 A) Diagnostic School B) Task-centered school
 C) Functional School D) Psychoanalytic School
81. The Charity Organization Societies (COS), founded in England in 1869, sought to severely restrict outdoor relief distributed by the Poor Law Guardians. What was Outdoor relief?
 A) Relief provided to poor who lived inside the workhouses
 B) Money, food or clothing given to poor outside of workhouses

92. The Mutual Aid Model of group work practice has its roots in the practice theory proposed by:
 A) H.B. Trecker B) G. Konopka C) Naiper D) William Schwartz
93. Sociometry is a technique widely used for study of:
 A) Group structure B) Status of members in the group
 C) Leadership D) All the above
94. Which of the following is **not** a stage of social group work process?
 A) Conforming B) Norming C) Storming D) Performing

105. Match the social movements listed in List I, to related symbols, causes or events, listed in List II:
- | | |
|--|---|
| <p>List I</p> <p>a. Jallikattu</p> <p>b. Me Too</p> <p>c. Nirbhaya</p> <p>d. CAA</p> | <p>List II</p> <p>1. Black dot</p> <p>2. Hash Tag</p> <p>3. Bull-taming</p> <p>4. Citizenship</p> |
|--|---|
- A) a-1, b-2, c-3, d-4 B) a-4, b-3, c-2, d-1
C) a-3, b-2, c-4, d-1 D) a-3, b-2, c-1, d-4
106. The conversion of sensory stimulus energy into neural impulses is called:
A) Sensory Adaptation B) Difference threshold
C) Transduction D) Absolute threshold
107. Which of the following statements is true?
A) Perception is elicited by all sensations
B) Perceptions is independent of cognition
C) Perception occurs when a sensation is strong enough to reach consciousness.
D) All of the above
108. A person's knowledge of how to use a pen is related to ---- scheme.
A) Role B) Object C) Self D) Event
109. What is the IQ for Mild Mental Retardation as per DSM-IV?
A) 50-55 to 70 B) 30-40 to 50 C) 60-65 to 80 D) 10-20 to 50
110. A type of long-term implicit memory that involves the performance of certain cognitive and motor tasks without the conscious retrieval of past information is called:
A) Task memory B) Procedural memory
C) Declarative memory D) Sensory memory
111. The defence mechanism in which one adopts or expresses the opposite of one's true feelings or motives:
A) Reaction Formation B) Regression
C) Displacement D) Projection
112. ----- refers to any agent that can potentially cause a birth defect or negatively alter cognitive and behavioural outcomes.
A) Teratogen B) Teratology
C) Developmental Hazard D) All of the above
113. The concept of "teachable moments" was popularized by:
A) Alfred Bandura B) Anna Freud
C) Erik Erikson D) Robert Havighurst

114. At what age should a child be referred to a paediatrician if he/she hasn't started to walk?
 A) 9 months B) 12 months C) 18 months D) 24 months
115. Match Piaget's Cognitive development stages in List I to their goals in List II
- | | |
|-------------------------|-------------------------|
| List I | List II |
| a. Formal Operational | 1. Logical thought |
| b. Concrete Operational | 2. Object permanence |
| c. Sensorimotor | 3. Scientific reasoning |
| d. Preoperational | 4. Symbolic thought |
- A) a-1, b-4, c-2, d-3 B) a-3, b-1, c-2, d-4
 C) a-4, b-1, c-3, d-2 D) a-1, b-3, c-4, d-2
116. Humanistic therapies focus on:
 A) Conditioning B) Human will and choice
 C) Meaning of existence D) Childhood trauma
117. When a counsellor is posited as the expert and prescribes a particular solution to the problem of the counsellee, based on his/her expert judgment, that kind of counselling is called ---- counselling.
 A) Expert B) Indirect C) Directive D) Non-directive
118. SOLER is an acronym coined by Gerard Egan to describe how a counsellor should communicate with the client. 'E' is related to:
 A) Empathy B) Eye Contact
 C) Expressing emotions D) Encouragement
119. Read the conversation below and identify the specific skill used by the counsellor:
Anna: My father just got admitted in the hospital following a cardiac arrest. I've an important deadline at work. I don't know if I can be at the hospital with my father.
Counsellor: So, Anna, you just came to know that your father has been admitted in the hospital. You are upset and you want to be with your father, but you are also worried about how you can meet your deadline at work if you go.
 A) Paraphrasing B) Summarising
 C) Probing D) Interpreting
120. Which of the following instances is a direct application of operant conditioning?
 A) A client who has claustrophobia is asked to imagine being in a mal-functioning lift filled with people
 B) A client practices relaxation therapy and applies it when he finds himself in anxiety-generating situations.
 C) A client who manages to complete daily routine for a week is gifted a movie ticket with snacks coupon.
 D) A client describes his dreams and attempts to reimagine it
