Comprehension:

Read the passage carefully and choose the best answer to each question out of the four alternatives:

Mahatma Gandhi, an iconic figure in India's history, was a visionary leader and a staunch advocate of nonviolent civil disobedience. Born in 1869, he played a pivotal role in India's struggle for independence from British rule. His philosophy of Satyagraha, or truth force, inspired millions to join the freedom movement.

Gandhi's methods of peaceful protest and passive resistance, coupled with his unwavering commitment to justice and equality, earned him the title of "Mahatma," meaning great soul. He led various campaigns against unjust laws, including the famous Salt March in 1930, which drew global attention to India's plight.

Beyond his political pursuits, Gandhi emphasized the importance of self-reliance and simplicity, advocating for rural development and communal harmony. His legacy extends far beyond India's borders, as he remains an inspiration to civil rights leaders and social activists worldwide.

Sadly, this great soul's life was tragically cut short when he was assassinated in 1948. However, his teachings and principles continue to guide generations, reminding us of the power of peace, love, and perseverance in the face of adversity. Mahatma Gandhi's influence endures as a beacon of hope for a better world.

SubQuestion No: 7

Q.7 What title would best suit the passage's content?

Ans

1. The Influence of Mahatma Gandhi

2. Gandhi's Nonviolent Revolution3. The Power of Civil Disobedience

X 4. India's Struggle for Independence

Q.23 The question below consist of a set of labelled sentences. Out of four options given, select the most logical order of the sentences which form a paragraph.

The name Troy refers both to a place in legend and a real-life archaeological site.

P. In legend, Troy is a city that was besieged for 10 years and eventually conquered by a Greek army led by King Agamemnon.

Q. The reason for this "Trojan War" was, according to Homer's "Iliad," the abduction of Helen, a queen from Sparta.

R. This abduction was done by Paris, the son of Troy's King Priam.

S. Throughout the "Iliad" the gods constantly intervene in support of characters on both sides of the conflict.

The Trojan War is thought to have taken place near the end of the Bronze Age.

Ans
