NOTICE

The National Council for Teacher Education (NCTE) is aware that some prospective employers prior to employing a person as a teacher require verification of recognition status from NCTE regarding degree / diploma / certificate in teacher education. In this regard, the NCTE has decided to facilitate candidates who have passed out of teacher education programmes from NCTE recognized institution.

Teacher-pupils undergoing, or already passed out, from any NCTE recognized teacher education programme in India (except Jammu & Kashmir), may visit the NCTE website at **Online Teacher Registration Management System (OTRMS)** for registration. The OTRMS will require an online payment of **Rs.200/-** for each certificate from any applicant. On completion of formalities and payment as required, such applicant will get a printable system generated certificate for use as an authentic document before any prospective employer.

This process is voluntary and available to both types of candidates already passed out or undergoing any NCTE recognized teacher education programme. The certificate will only be generated if the teacher education course under consideration is duly recognized by NCTE.
