

(A State University, Accredited with "A" Grade by NAAC, Ranked 13th among Indian Universities by MHRD-NIRF, World Ranking: Times -801-1000,Shanghai -901-1000, URAP - 1047)

Coimbatore - 641 046, Tamil Nadu, India

Program	Educational Objectives (PEOs)
The B. A	Sociology program describe accomplishments that graduates are expected to attain
within fiv	ve to seven years after graduation
PEO1	To Understand the basic social processes of society, social institutions and
TLOI	patterns of social behavior.
	To demonstrate an understanding of the subject matter of the field of sociology,
PEO2	including the major theoretical approaches, vocabulary, and research findings of
	sociology.
	To develop a sociological imagination that helps to articulate and evaluate how
PEO3	social structures, social institutions, cultural routines and multiple elements of
	social differences and/or inequality operate in society.
PEO4	To inculcate a critical thinking ability to demonstrate, to analyze and to evaluate
1104	multiple and competing social, political, and/or cultural arguments.
PEO5	To diagnose and to treat the various social problems experienced by the people in
1105	the society and the development of various plans to address them.
PEO6	To enables students to cope effectively with the socio-cultural and interpersonal
I LOU	processes of a constantly changing complex society.
PEO7	To create an awareness of how people of different cultural, religious and political
TLO/	belief systems interpret the world around them through those beliefs.
PEO8	To compare and to contrast the social and cultural patterns exist in the Indian and
FLUð	other societies.
PEO9	To develop and in-built the capacity of the students to communicate effectively
FLO9	and use of sociological knowledge for better society.
PEO10	To enhances the skills and capabilities that secures better employment
I LOIU	opportunities in educational, research institutions and NGOs.

123

15/51-

After the	successful completion of B. A Sociology program, the students are expected to
	Understand the basic concepts in Sociology and develop an understanding about
PSO1	macro and micro perspectives in Sociology
	Better understanding of real life situation by demonstrating an ability to apply
PSO2	sociological concepts and theories to the real world and ultimately their
	everyday lives.
	Demonstrate an understanding of the formation and operation of the major social
PSO3	institutions that exist within our society
	Develop an understanding of various aspects of doing social science research
PSO4	with focus on methodology; making research proposal, doing fieldwork and
1501	report writing
	Comprehend the various features of Indian Society and culture including unity
PSO5	in diversity; Indian social structure and understanding rural, urban and tribal
	India
	Communicate in a clear and coherent manner in both written and oral
PSO6	communication that are essential for conveying sociological concepts and
	understandings to a broader audience
	Develop in students the sociological knowledge and skills that will enable them
PSO7	to think critically and imaginatively about society and social issues.
	Use sociological knowledge, skills, and theories to engage with the world
PSO8	around them, and to promote social justice.
	Gain the skills for analyzing and formulating long-lasting solution to social
PSO9	problems
PSO10	Develop socially and ethically responsible citizen.

Program	Outcomes (POs)							
On succe	ssful completion of the B. A Sociology program							
PO1	Identify the basic foundations of Indian Society.							
PO2	Critique the characteristics of the social institutions and their linkages with							
	development process.							
PO3	Demonstrate knowledge about the basic principles and significance of sociology.							
DO 4	Gain the skills for analyzing and formulating long-lasting solution to social							
PO4	problems.							
PO5	Demonstrate knowledge about the roles and functions of Socialization							
PO6	Discuss the contemporary relevance of the various theories of social change							
PO7	Reconstruct the rural institutions.							
PO8	Analyze the impact of rural development programmes.							
DOO	Identify the role, place and influence of economic, political and religious							
PO9	institutions in primitive societies.							
D010	Demonstrate deep knowledge of the approaches and theories to evolve social							
PO10	intervention strategies.							
	Construction and Carton
