INSTRUCTIONS

Before writing the Question Booklet version code in the OMR sheet, you should check that this Question Booklet does NOT have any unprinted or torn or missing pages or questions etc. If so, get it replaced by a complete 'Question Booklet' of the available series.

- Write and encode clearly the Question Booklet Version Code A, B, C, D or H, as the case may be, in the appropriate space provided for the purpose, in the Answer Sheet.
- You have to enter your Register Number in the Question Booklet in the box provided alongside. **Register Number**
DO NOT write anything else on the Question Booklet.
- This Question Booklet contains **150** questions. Each question contains **four** responses (answers). Select the response which you want to mark on the Answer Sheet. In case you feel that there is more than one correct response, mark the response which you consider the best. In any case, choose **ONLY ONE RESPONSE** for each question.
- All the responses should be marked **ONLY** on the separate Answer Sheet provided and **ONLY** in Black or Blue Ballpoint Pen. See instructions in the Answer Sheet.
- All questions carry equal marks. **Attempt all questions.** Your total marks will depend only on the number of correct responses marked by you in the Answer Sheet.
- Before proceeding to mark the responses in the Answer Sheet, you have to write and encode particulars regarding Register Number, Question Booklet Version Code etc., (along with your signature and Invigilator's signature) in the space provided for in the Answer Sheet.
- Sheets for rough work are appended in the Question Booklet at the end. You should not make any marking on any other part of the Question Booklet.
- Immediately after the final bell indicating the conclusion of the examination, stop making any further markings in the Answer Sheet. Be seated till the Answer Sheets are collected and accounted for by the Invigilator.
- Questions (other than on General Kannada and General English) are printed both in Kannada and English. If any confusion arises in the Kannada Version, please refer to the English Version of the Questions.**
- Use of calculators of any kind is **not** permitted.

DO NOT OPEN THIS QUESTION BOOKLET UNTIL YOU ARE ASKED TO DO SO.
