Q.3 Write a precise of the following paragraph in not more than 1/3 number of words of the whole passage. Also give an appropriate title.

Love of power is, perhaps, an even stronger motive than fear in enticing nations to pursue irrational policies. Although individual boastfulness is considered to be bad manners, national boastfulness is admired at any rate, by the compatriots of those who practise it. Throughout history, great nations have been led to disaster by an unwillingness to admit that their power had limits. Hitler's Germany is the most recent example. Going backwards in time, we find many other examples, of which Napoleon, Genghis Khan, and Attila are the most noteworthy.

To spread ruin, misery and death throughout one's own country as well as that of the enemy is the act of madmen. If East and West could cease their enmity, they could devote their scientific skill to their own welfare, to living without the burden of fear that only their own folly has caused. For it is in the hearts of men that the evil lies. The trouble lies in the minds often, and it is in enlightening the minds of men that the cure must be sought.

Q.4 Translate the following passage from Hindi to English.

सांस्कृतिक विविधता एक बहुत ही अमूल्य चीज़ है। दूसरे का सम्मान करने तथा उसके प्रति न्याय करने का एक अर्थ यह भी है कि उससे जुड़े समुदाय के प्रति सम्मान तथा न्याय। इसलिए जरूरत है कि हम अपने देश में अंतर-सांस्कृतिक संबंधों की केंद्र/परिधि वाली धारणा को पूरी तरह बदलें। तथाकथित परिधि में स्थित संस्कृतियों को भी उतना ही मान-सम्मान मिलना चाहिए जितना कि केंद्र में मौजूद संस्कृतियों को। शिक्षा के लिए इसके गहरे निहितार्थ इस प्रकार हैं कि जीवन जीने के अपने स्वयं के तरीके के अलावा अन्य तरीकों को भी इस प्रकार काल्पनिक और प्रभावी ढंग से प्रस्तुत किया जाना चाहिए कि उन्हें भी उतना ही सम्मान मिले जितना अपने जीवन जीने के तरीके को।
