Note:

In case where, 02 (two) or more candidates have secured the same total (aggregate) marks, their seniority in the final merit/selection list have been decided upon by the marks obtained by the candidates in the Final Competitive Examination. The one who secured higher marks in the Final Competitive Examination has ranked higher in the Merit List. If the marks secured in the Final Competitive Examination are also the same then seniority have been determined by the marks obtained by the candidates in Paper - II (Physics and Computer Software, Hardware and Networking) of Final Competitive Examination. The one who secures higher marks in Paper - II (Physics and Computer Software, Hardware and Networking) of Final Competitive Examination have taken precedence in the merit list. If the marks secured in Paper - II (Physics and Computer Software, Hardware and Networking) of Final Competitive Examination also turns out to be equal, then seniority have been determined by their age. The candidate older in age have ranked above the others in the Merit List. In case of same Date of Birth the principle of determining seniority have been decided by the Board.
