8)ANS a) New Delhi

7th India Mobile Congress 2023 was held in New Delhi. The '100 5G labs initiative', is an endeavour to realise the opportunities associated with 5G technology by encouraging development of 5G applications which cater, both to India's unique needs as well as the global demands. The unique initiative will foster innovation across various socioeconomic sectors like education, agriculture, health, power, transportation etc, and propel the country into the forefront of usage of 5G technology. The initiative is also a pivotal step for building a 6G-ready academic and start-up ecosystem in the country. More importantly, the initiative is a step towards development of indigenous telecom technology which is critical for national security. India Mobile Congress (IMC) is the largest telecom, media, and technology forum in Asia and will be held from 27th to 29th October, 2023. The event will act as a platform to highlight India's incredible advancements in telecommunications and technology, bring forth significant announcements and provide an opportunity to start-ups to display their innovative products and solutions.

With the theme 'Global Digital Innovation,' the IMC 2023 aims to strengthen India's position as a developer, manufacturer, and exporter of key cutting-edge technologies. The three day congress will highlight technologies such as 5G, 6G, Artificial intelligence (AI) and discuss issues pertaining to semiconductor industry, green technology, cybersecurity etc.

9)ANS c)Panaji

37th edition of the National Games will be held in Goa for the very first time. It commenced from October 26 to November 9, bringing together more than 10,000 athletes from across the country. Initially it is called as Indian Olympic games after 1940 it is renamed as National Games. First edition was conducted in lahore on 1924 before independence. 5th(1932), 14th(1952) and 23rd (1968) editions were conducted in Madras.

10) ANS c)October 27

Infantry Day is celebrated every year to commemorate the landing of the 1st Battalion of the SIKH Regiment at Srinagar airfield on 27 Oct 1947 to protect the people of Jammu & Kashmir from the nefarious designs of Pakistani Kabaili Raiders aided by the Pakistan Army. This gallant action resulted in foiling of Pakistan's plans to occupy Jammu & Kashmir. Infantry is also known as the "Queen of the Battle" and its history is as old as the first human war. The infantry has played a crucial role in the army in protecting the sovereignty of the nation since independence. Be it the war of 1962 with China or of 1947-48 with Pakistan, be it the war of 1965, 71 or 1999 Kargil conflict. The contribution of infantry in triumphing these historical wars is unparalleled. Apart from these wars, the Counter Insurgency/ Counter Terrorist Operations in North and North East, Op BLUE STAR and Op RAKSHAK in Punjab, Op PAWAN in Sri Lanka and recently Op SNOW LEOPARD in Eastern Ladakh have been the continuous witness of the sheer professionalism and commitment of infantry which eventually led to success of these operations.
