### 10) World Cities Day

- a) October 28
- b) October 29
- c) October 30
- d) October 31

### ANSWERS

#### 1) ANS c) 7

November 1 is recognized as the formation day of seven Indian states and 2 Union Territories. They are Andhra Pradesh, Chhattisgarh, Haryana, Punjab, Karnataka, Kerala and Madhya Pradesh, along with the Union Territories of Lakshadweep and Puducherry, came into existence.

- Tamilnadu – Formed on 26 January 1950 as Madras State by the State of Madras Act, 1950. It was later renamed as Tamil Nadu in 1969.
- In 1953 Andhra was separated from Madras state but in 1956 Hyderabad state was merged into Andhra and renamed as the Andhra Pradesh state by the States Reorganisation Act, 1956.

#### 2) ANS b) Ministry of Women and Child Welfare

Pradhan Mantri Matru Vandana Yojana previously known as the Indira Gandhi Matritva Sahyog Yojana is a maternity benefit scheme initiated by the Government of India. It was launched in 2010 and renamed in 2017. The scheme is implemented by the Ministry of Women and Child Development. It aims to provide financial support and essential services to ensure a healthy and secure environment for both the mother and child during the crucial period of pregnancy and lactation. Under PMMVY scheme eligible women receive a direct cash transfer of Rs. 5,000 in three installments. A new webportal and mobile app was launched by Government of India on 26 October 2023.

### 3) ANS a) **October 31, 2023**

Mera Yuva Bharat (My Bharat) was launched on 31st October, 2023 which coincides with National Unity Day. Aim of Mera Yuva Bharat is to empower youth, foster leadership, and leverage technology for national development. This initiative aligns with the National Youth Policy and targets individuals between the ages of 15-29.

### 4) ANS a) **IIT Madras**

Indian Institute of Technology (IIT Madras) in Chennai and Tel Aviv University in Israel have jointly developed an aerosol absorber for removing contaminants from wastewater. With 18 percent of the world's population, India faces a major challenge as it has only 4 percent of the world's water resources. This effort has been intensified, especially in water-based industries such as pharmaceuticals and textile manufacturing. Approximately 10 lakh tonnes of toxic synthetic dyes are released annually in the textile manufacturing sector alone. This poses a serious threat to aquatic life and ecosystems.

### 5) ANS d) **Buckinghamshire**

First AI Safety Summit 2023 was conducted at Bletchley Park, Buckinghamshire in England. Global leaders, AI experts and industry representatives are participated in this summit to discuss the growing concerns surrounding the safety of advanced AI technologies and the need for international cooperation to address these concerns.

### 6) ANS c) **Kozhikode**

UNESCO announced Kozhikode city the City of Literature . It is the first city in India to hold this distinction. Gwalior in Madhya Pradesh was recognized as a 'City of Music. Prague was the first city to receive the City of Literature title in 2014 making it a valuable resource for Kozhikode's aspirations.
