Generally blind, they catch their prey by emitting ultrasonic sound to gauge distance, mass etc

Assam, UP, MP, Rajasthan, Bihar, Jharkhand & W Bengal in the rivers Chambal, Sone, Kosi, Brahmaputra

Prefer deep waters, in & around Indian river confluences

GANGETIC DOLPHIN: A rare specie almost extinct

Lost cousin: The Yangtze dolphin, Baiji, of China

Grim Future

Dwindling number due to killing, habitat fragmentation

Once counted in 10's of 1000's, the amount has reduced in last century to **1,500**

"Endangered" & placed in **Schedule-I of Wildlife (Protection) Act, 1972**

Did you know?

Vikramshila Gangetic Dolphin Sanctuary is situated in **Bhagalpur of Bihar**

Nobel Prize in physics

Context

France's **Pierre Agostini**, Hungarian-Austrian **Ferenc Krausz** and French-Swedish **Anne L'Huillier** won the **Nobel Prize in physics**.

Key facts

- The prize awarded for the research, using ultra-quick light flashes **that enable the study of electrons inside atoms and molecules**.
- Their technique employs **pulses measured in attoseconds**
- The research has made it possible to **examine moves or changes so rapid that they were previously impossible to follow**
- potential **applications in both electronics and medical diagnostics**.

International Criminal Court

Context

Recently **Armenia's Parliament** voted to join the International Criminal Court.

International Criminal Court (ICC)

- It is the **only permanent international**

Daily Current Affairs Encyclopedia

	<p>criminal tribunal.</p> <ul style="list-style-type: none"> • It was created by the 1998 Rome Statute of the International Criminal Court • It started functioning on 1 July 2002 when the Statute came into force. • Its HQ is in Hague, Netherlands. • India is not the member • It investigates and tries individuals charged with the gravest crimes of concern to the international community: genocide, war crimes, crimes against humanity, and the crime of aggression. <p>Did you know? 123 States Parties recognize the ICC's authority except the US, China, Russia, India and among others.</p>
<p>Manufacturing Purchasing Managers' Index (PMI)</p>	<p>Context India's manufacturing activity eased to a five-month low in September</p> <p>Purchasing Managers' Index (PMI)</p> <ul style="list-style-type: none"> • It is an economic indicator, which is derived after monthly surveys of different companies. • It measures activity at the purchasing or input stage. • It is very different from industrial production which is indicative of actual production. E.g., the Index of Industrial Production (IIP) measures output. • There are two types of PMI — Manufacturing PMI and Services PMI. • The index shows trends in both the manufacturing and services sector. • PMI does not capture informal sector activity.
