<p><b>Record-breaking Coal Production Achieved by SCCL's Kothagudem Area</b></p>	<p><b>Context:</b> Record-breaking Achievement by SCCL Kothagudem Area:</p>

## Daily Current Affairs Encyclopedia

- Singareni Collieries Company Limited (SCCL) Kothagudem area achieves highest coal production in company history.
- Coal mines in the area produce 135.16 lakh tonnes of coal by March 25, surpassing the previous record of 134.56 lakh tonnes in FY 2019-20.

### Remarkable Performance in Coal Transportation:

- Area sets new record in coal transportation as well, with 150.06 lakh tonnes of coal transported by March 25 in current fiscal year.
- JVR coal handling plant (CHP) exceeds target by transporting 100.28 lakh tonnes (2494 rakes) of coal by March 25.

### Acknowledgement and Direction:

- Achievements attributed to directions of SCCL chairman and managing director N Balaram and advice of director (project and planning) G Venkateswara Reddy.
- Area general manager M Shalem Raju congratulates all employees and officials for their efforts.

### Future Targets and Call to Action:

- Employees and officials urged to maintain momentum and aim for a coal production target of 157.50 lakh tonnes set for FY 2024-25 for company progress.

### Note on Singareni Collieries Company Limited:

- The Singareni Collieries Company Limited or SCCL is a government-owned-coal mining corporation in India. It is under the ownership of the Department of Energy, Government of Telangana. The Union Government's administration of the company is through the 49% ownership held by the Ministry of Coal.
- In the year 1871, NIZAM's Ruled Dr.William King of the Geological Survey of India discovered coal near Yellandu in Khammam district and one of the important coal seams bore his name
- It is named after the village Singareni in khammam district, Telangana where the coal mines were first noticed .
