Telangana State Regional News

Telangana girl ranks third in UPSC exam, becomes topper in Telugu States

Context:

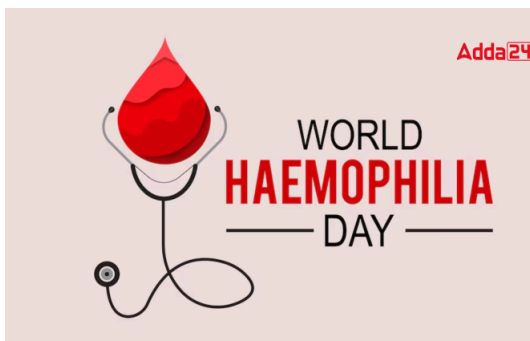

- Donuru Ananya Reddy from Telangana's Mahbubnagar district achieved a remarkable feat by securing All India Rank (AIR) 3 in the UPSC Civil Services Examination (CSE) 2023.
- This accomplishment makes her the topper among aspirants from both Andhra Pradesh and Telangana (Telugu states).

Singareni solar plants to be completed by August

Context:

- Singareni Collieries Limited (SCCL) is aiming to complete its remaining solar power plants by August 2024.
- These plants are part of the first phase of a 300 MW solar power project.
- In February 2024, SCCL finished a 10.5 MW plant, leaving 55.5 MW under construction.
- These plants are spread across Ramagundam, Kothagudem, Chennur areas.
- Once completed, SCCL will be able to generate enough power to meet its own needs and become a net zero energy company.

World Haemophilia Day

Context:

- World Hemophilia Day is observed annually on April 17th.
- It raises awareness about hemophilia and other bleeding disorders.

Key Points:

- **Increase understanding:** Educate the public about hemophilia, a genetic condition affecting blood clotting.
- **Improve diagnosis and care:** Advocate for better access to diagnosis and treatment for all, regardless of location or resources.
- **Support the community:** Celebrate the strength and resilience of those living with bleeding disorders.

About:

- World Haemophilia Day was started by the World Federation of Haemophilia in 1989
- April 17 was decided as the date to observe the health day every year to honour the founder of the organization Frank Schnabel, who played a significant
