	<ul style="list-style-type: none"> The Starliner is a spacecraft that transports astronauts in space.
<p>Goods & Services Tax Appellate Tribunal (GSTAT)</p>	<p>Why in news?</p> <ul style="list-style-type: none"> The Goods & Services Tax Appellate Tribunal (GSTAT) has been initiated by the Centre with the appointment of retired Justice Sanjaya Kumar Mishra as its President. The tribunal aims to help businesses resolve various disputes efficiently. <p>Key points:</p> <ul style="list-style-type: none"> Justice Mishra, former Chief Justice of the High Court of Jharkhand, will hold the post for a period of 4 years or until he attains the age of 70 years, whichever is earlier. The Centre plans to set up 31 GSTAT benches across the country, with one Principal Bench in Delhi. Uttar Pradesh will have the highest number of benches (three) among all states. Other larger states will have two benches each. The Principal Bench will handle inter-State disputes, while Benches in States will handle all other issues, including rates. GST Tribunals are envisioned as specialised bodies to handle disputes related to GST, providing a timely and efficient resolution mechanism.
<p>Artificial General Intelligence (AGI)</p>	<p>Why in news?</p> <ul style="list-style-type: none"> Sam Altman, CEO of OpenAI, has committed to investing billions of dollars in the development of Artificial General Intelligence (AGI). <p>About AGI:</p> <ul style="list-style-type: none"> Artificial General Intelligence (AGI) refers to a type of artificial intelligence that can understand, learn, and apply knowledge across a wide range of tasks, much like a human. It integrates cognitive abilities like reasoning, problem-solving, planning, and learning. Unlike narrow AI, which is designed for specific tasks (e.g., facial recognition, internet searches), AGI can generalize its intelligence across unfamiliar tasks. AGI adapts to new environments and tasks without needing additional programming.

International Election Visitors' Programme (IEVP)

Why in news?

- 75 delegates from 23 countries are in India to observe the Indian General Elections as part of the International Election Visitors' Programme (IEVP).
- The event was inaugurated in New Delhi by CEC Shri Rajiv Kumar and ECs Shri Gyanesh Kumar and Sukhbir Singh Sandhu.

About IEVP:

- The International Election Visitors' Programme (IEVP) is a flagship program of the Election Commission of India for international cooperation and engagement with the Election Management Bodies (EMBs) of other countries and International Organizations.
- It provides participants with a broad picture of the Indian election process, new initiatives in voter facilitation, the transparency and accessibility of the electoral system.
