MEASURES OF TRANSPARENCY INTRODUCED BY TGPSC IN GROUP-I PRELIMS EXAM:

The Commission has taken a series of measures to bring in transparency in the conduct of the Group-I Preliminary Examination with a view to ensure that there is no scope for any malpractice in the examination at every stage. These measures include:

- 1) Introduction of Candidate Specific/ Personalized OMR Answer Sheet, wherein each candidate gets an OMR Answer Sheet with pre-printed data of the candidate including name, father's name, Mother's name, Date of Birth, Photograph etc.
- 2) The candidate will sign on the OMR Answer Sheet in the presence of the invigilator and signed by the invigilator certifying that the candidate has signed in his or her presence.
- 3) The candidate is asked to reproduce a pre-printed paragraph on the OMR Answer Sheet in order to capture the full pattern of the handwriting of the candidate.
- 4) In order to reduce bubbling errors, the candidate's hall ticket number is pre-printed on the OMR Answer Sheet. The candidate is expected to enter only the Question Paper Booklet Number and bubble it, so as to minimize the bubbling errors.
- 5) The system of Biometric attendance involving capturing fingerprints and photographs of each candidate has been effectively implemented with the help of one biometric invigilator for every 160 candidates, while all the biometric invigilators have been trained across 897 centers in handling standalone Tabs/Biometric devices.
- 6) In the hall ticket, it is made mandatory for each candidate to paste the latest photograph taken in the last 3 months. The candidate will sign on the hall ticket in the presence of the invigilator in addition to invigilator himself attesting his signature on the hall ticket.
- 7) Along with the hall ticket, it has been made mandatory for every candidate to bring on original valid photo ID card issued by any Government Department viz., Aadhar card, PAN card, Passport etc.
- 8) CC TV Cameras have been setup in all the examination centers covering Chief Superintendent rooms, some of the class rooms on a random basis, all the entry and exit gates and the entire proceedings were monitored live by the Commission from Command-and-Control Center at TGPSC Office.
- 9) The Preliminary Written Test has been conducted smoothly, by strictly implementing the norms and regulations, as per the planned scheduled. Biometric attendance of the candidates, including the digital finger prints and digital photographs have been captured during the test so as to ensure full integrity of the examination.
