Telangana State Regional News

Renewable energy	<p>Why in news?</p> <ul style="list-style-type: none"> Telangana aims to add 40,000 MW additional energy capacity through renewable sources by 2035. <p>Key Points:</p> <ul style="list-style-type: none"> Renewable energy comes from unlimited, naturally replenished resources, such as the sun, tides, and wind. Renewable energy can be used for electricity generation, space and water heating and cooling, and transportation.
Places in news: Bangarupalli hamlet	<p>Why in news?</p> <ul style="list-style-type: none"> Telangana's first container school was inaugurated in the remote forest area of Mulugu district. <p>Key Points:</p> <ul style="list-style-type: none"> This marks the first instance of a government school being established in a container in the State, aimed at addressing the infrastructural challenges faced by educational institutions in forest regions. The container school is a solution to overcome restrictions on construction of brick and mortar structures.
SC subclassification	<p>Why in news?</p> <ul style="list-style-type: none"> The Cabinet sub-committee formed by the state government to review SC subclassification will study its implementation in Punjab, Haryana, and Tamil Nadu with input from legal experts. It ensures that the process of sub-classification would withstand judicial review while ensuring that injustice is not done to other communities. <p>Key Points:</p> <ul style="list-style-type: none"> The Supreme Court has ruled that the 'creamy layer' principle, previously applied only to Other Backward Classes (OBCs) (as highlighted in Indra Sawhney Case), should now also be applied to SCs and STs. This means states must identify and exclude the creamy layer within SCs and STs from reservation benefits
Telangana CM unveils Rajiv Gandhi's statue	<p>Why in news?</p> <ul style="list-style-type: none"> Telangana Chief Minister A. Revanth Reddy has
