| <p>Amrit Bharat Station Scheme</p> | <p>Why in news?</p> <ul style="list-style-type: none"> The South Central Railway (SCR) is investing ₹4,605 crore to develop 121 railway stations under the 'Amrit Bharat Station Scheme' (ABSS). <p>Key Points:</p> <ul style="list-style-type: none"> It is an ongoing Indian Railways mission launched in February 2023 by the Ministry of Railway to redevelop railway stations across India. It is designed for the ongoing development of railway stations with a long-term perspective. It involves the creation of master plans and their phased implementation to improve various aspects of station facilities. The scheme aims to transform railway stations into modern, well-equipped hubs with improved passenger amenities, better traffic circulation, inter-modal integration, and enhanced signage. |
| <p>Government Order (GO) 317</p> | <p>Why in news?</p> <ul style="list-style-type: none"> The Telangana Cabinet sub-committee on GO 317 related to allocation of jobs and transfers, submitted its report to Chief Minister A. Revanth Reddy . <p>Key Points:</p> <ul style="list-style-type: none"> The GO, pertaining to Telangana Public Employment, has introduced a zonal system in the allocation of jobs. The new system was formulated after Telangana was reorganized into 31 new districts from 10 in 2016; and new districts like Asifabad, Bhupalapally, Mancherial, etc. were created. |
| <p>Lessons from Seoul: Revitalizing the Musi River in Telangana</p> | <p>Why in news?</p> <ul style="list-style-type: none"> The transformation of the Seoul River offers valuable insights for the rejuvenation of the Musi River in Telangana. The Seoul River has evolved into an eco-friendly zone that promotes biodiversity, aids in combating climate change, and functions as a flood-receding channel. <p>Key Points:</p> <ul style="list-style-type: none"> The Musi Riverfront Development Project, planned by the state government, aims to rejuvenate the 55-kilometer stretch of the polluted Musi River. The initiative aims to clean the river and create a vibrant economic and leisure hub. The Musi river is one of the major tributaries of Krishna. |
