<p>Samagra Scheme</p> <p>Shiksha</p>	<p>Why in news?</p> <ul style="list-style-type: none"> Andhra Pradesh is the first State in the country to establish 125 specialised autism centres across the State to help students facing autism-related challenges under A.P Samagra Shiksha Project. <p>Key Points:</p> <ul style="list-style-type: none"> Samagra Shiksha is an overarching programme for the school education sector extending from pre-school to class 12. The scheme has been prepared with the broader goal of improving school effectiveness measured in terms of equal opportunities for schooling and equitable learning outcomes. It subsumes the three Schemes of Sarva Shiksha Abhiyan (SSA), Rashtriya Madhyamik Shiksha Abhiyan (RMSA) and Teacher Education (TE) and was launched in 2018.
<p>Project SarvaSetu</p>	<p>Why in news?</p> <ul style="list-style-type: none"> Andhra Pradesh State Skill Development Corporation (APSSDC) has partnered with the Indian diaspora in Germany to launch Project SarvaSetu. <p>Key Points:</p> <ul style="list-style-type: none"> It is a strategic initiative to equip young professionals with the necessary skills for international career opportunities, particularly in Germany. As part of this initiative, German language training, cultural orientation, and integration skills will be imparted to final-year ITI students in Andhra Pradesh, ensuring that they are well-prepared to enter the German job market. This collaboration marks a significant step in bridging skill gaps and opening new career pathways for Indian youth in the international job market
<p>Three language policy</p>	<p>Why in news?</p> <ul style="list-style-type: none"> The Andhra Pradesh United Teachers Federation (UTF) passed a resolution urging the Centre to grant states the freedom to offer their people the choice to learn languages that best suit their needs and also criticized for linking state funding to the implementation of the three-language formula. <p>Key Points:</p> <ul style="list-style-type: none"> According to the National Education Policy of 1968, the three-language formula means that a third language (apart from Hindi and English), which should belong to Modern India, should be used for education in Hindi-speaking states. This formula was altered and amended by Kothari Commission (1964–66) so as to accommodate regional languages and mother tongues of the group identities. First language: It will be the mother tongue or regional language. Second language: In Hindi speaking states, it will be other modern Indian languages or English. In non-Hindi speaking states, it will be
